I am writing to you on behalf of the John F. Kennedy Memorial High School Baseball Program, "We need your help"! Our baseball field and bleachers are in need of major repair and unfortunately the Woodbridge Board of Education cannot undertake such a project.

The baseball program benefits many young men in our community. Local residents, young and old, enjoy attending the games, which bring a sense of community. JFK students attend and rally for their team to do well which demonstrates school spirit.

Throughout the year, we run fundraisers such as car washes and discount cards which support the baseball program; however such initiatives cannot fund a major renovation. This is the reason I am reaching out to our local business within our community for support. This is a great opportunity for your company to receive exposure by having your company sign made and posted on our varsity field. As a participating sponsor, your company will be featured at our annual banquet and you can choose from either one of the following 2 options for your sign sponsorship.

Homerun \$ 500 – for one season – with a \$400.00 per year renewal option.
Grand Slam: \$ 1000 – for three consecutive seasons

Feel free to contact Phyllis Giordano @ 732-406-9377 or Jerry Smith @ 732-259-1166, Baseball Head Coach; to discuss these or other options that might be of interest. Any contributions you make will positively impact on our Baseball Program and our players.

Thank you,
Mustangs Diamond Club
